

MerchantCircle has more than 15 million local business listings across the country that are easily accessed from all major search engines. MerchantCircle makes it easy to find qualified businesses who provide quality services. By partnering with GiftCards.com, the highest-ranking gift card site, MerchantCircle has increased the content of their local business listings, added more consumer functionality and added a powerful revenue channel.

ChamberMaster helps chambers succeed with non-dues revenue generation and membership management tools that allow them to provide critical services for recruiting and retaining members. ChamberMaster powers more than 1,600 chambers and reaches more than 600,000 member merchants. In early 2014, GiftCards.com integrated with ChamberMaster to provide community-based and merchant gift card solutions. By partnering with GiftCards.com, the online leader in gift cards, ChamberMaster now has the ability to power more than 600,000 merchant gift card programs from ChamberMaster and merchant websites.
